A report of minor revisions to the STIP for the month of **March 2009** was distributed to the regional planning commissions and to our Interagency Consultation partners for discussion on March 6, 2009. The Interagency Consultation Group discussed the report during a meeting on March 12, 2009.

Pursuant to the STIP Revision Procedures adopted by NHDOT and approved by FHWA and FTA, the Department, through the office of the Director of Project Development, has the authority to approve Minor Revisions to the STIP for the rural areas of the State subsequent to discussion through the interagency consultation process.

Having followed the process outlined in the STIP Revision Procedures, the NH Department of Transportation hereby **APPROVES** the minor revisions to projects in the rural areas as outlined in the STIP Revision Report for **March 2009**. Any revisions to statewide projects must also be approved by each of the Metropolitan Planning Organizations before the approval is complete.
